Grade 12s should be applying between now and the end of December for most Post-Secondary Institutions, they can check specific deadlines and requirements on EducationPlanner.bc.ca If they have questions or need help, they can see one of the counsellors.

Student & Parent Reminder - Columneetza is a Closed Campus – this means no students are permitted off campus at lunchtime except those who live close enough to go home for lunch without being late. HandiMart is out of bounds to all students due to being too far away and a historic problem spot. Due to lack of supervision.

Noon Hour Supervisors are needed at both campuses. If you are interested in being a noon hour supervisor, applications are available in the office.
